

# Academy Garden Club Thymes

A NEWSLETTER FOR THE MEMBERS OF THE ACADEMY GARDEN CLUB OF LENOX

July 2017

## Hello and Happy Summer!!

It's now time for us to have our 'summer break'!

Some of us will keep-on keeping-on in order to create an interesting and fun line-up of programs for the coming year. I would like the Fundraising Committee to meet prior to our first fall meeting to start that ball rolling.

There are a couple of needs:

- **Hospitality** - we need a second for November.
- **Post Office Windows** - Dec, Jan, Feb and March, April, May need to be filled.

PLEASE email me and let me know if **YOU** can help out!!!

Other than that, your obligations to our club will consist of monitoring the needs of the Town Monument planting. I have attached the weekly deadheading and weeding schedule that you filled out at our last meeting.

If for some reason you are unable to complete the week you have signed up for - anything unexpected can happen during the summer months (vacations, family/friends visiting, other obligations . . . the list can go on) – **BUT**, please make sure you ask someone to take your place!

The Monument is in a very public arena with Tanglewood traffic and foot traffic as well.

It would be nice to have a sign crafted stating who plants and maintains this area. Having this sign would create name recognition for our booth at the 'Apple Squeeze' in the fall.

It would also be nice to have a sign at the booth letting folks know what they are supporting when they purchase something from us. Maybe we already do?

### *Until September!*

Warmly,

Anne
