

Academy Garden Club Thymes

A NEWSLETTER FOR THE MEMBERS OF THE ACADEMY GARDEN CLUB OF LENOX

JANUARY 2025

***Hello Ladies,
Happy 2025!!***

I hope that you all had a great Holiday Season.

**REMINDER –
There is NO meeting in January!!**

This Newsletter is to catch you up with everything that happened in December.

The Academy building planters were filled with seasonal greenery by Dianne Romeo, Liz Celli and Theresa Fasano and looks lovely this year (photo taken by Liz).

The post office window was changed out and here is a picture of our new display designed by Liz Celli.

Our December meeting was a wonderful potluck at Ventfort Hall made possible by Ventfort Hall and Tjasa Sprague. The evening was captured by Tjasa who, as always, caught us enjoying ourselves.

As there is no meeting in January, our next get together is on February 11th at 6 pm in the Lenox Community Center. Wishing you all the best for 2025. Jill

Early in 2025 our Thymes Editor and long-standing member (20 years), Pat Neri, is moving out of our village, but will continue to be a member of the Academy Garden Club and remain as the Thymes Editor. We look forward to seeing Pat at our meetings as the weather warms up in 2025! We send all our best wishes to Pat with her move.
