**Our refreshment hostesses will be Mary Tierney and Chris Stodden.**

We had a very interesting meeting in October learning about cannabis - how it is grown and how it is used. Our speaker Bill Stanton of R&R Cannabis was very knowledgeable and able to answer our many questions. Thank-you Susan for organizing this speaker, and to Tjasa Sprague for these photographs that captured our evening.

Kathy DeVlyder and Dianne Romeo put the Lenox monument flower bed to rest for the winter. This is the last of the flowers there. Thank-you Kathy and Dianne.

The fall colors are beautiful and I hope they stay with us for a few more weeks.

A temporary memorial plaque for Jen Picard is in place and here is a picture of it. The tree dedication ceremony with Jen's family was attended by our members Dianne Romeo, Jan Chague, Sarah Hatch and Colette Lemanski.
