MARCH 2026

MINUTES

Meeting March 10, 2026

The meeting was held at the Lenox Community Center with twenty-six members attending.

Linda Goff opened the meeting promptly at 6:00 p.m. She asked for approval of the minutes as mailed with The Thymes. She also noted that the attached financials were the budget as revised for 2026 and not the monthly report. The minutes were accepted as distributed.

Linda went on to welcome Sandy Lanning, our newest member, and to thank Kim Jakobowicz for bringing pussy willows from her garden to share. She also extended thanks to Jan Chague and Sharon Walker for helping her with the Pollinator Garden window display at the Post Office. Mary Tierney and Anne Gannon volunteered to help Linda Goff and Theresa Terry with the summer window display.

Before closing Linda made several announcements. She noted that there was good attendance for the Smith College Bulb Show on this Thursday. Dianne said ten members had signed up and that they had enough drivers. Participants are to meet behind the Beacon (was Berkshire) Bank at 9 a.m.

The Book Club starts with the book Gardener's Plot, a novel. The group has decided to meet monthly.

For the April 14 meeting she urged members to bring cash and food donations. The Lenox Historic Society is being invited. There will only be a raffle of the two bouquets that will be made during the presentation.

At 6:08 the meeting was closed and Harriet Wetstone introduced our guest speaker Mallory Perone on Natural Dying of Fabrics.

Respectively submitted,

Sarah Hatch, Secretary
