Happy August Academy Garden Club Members

Despite it being a hot summer, our members enjoyed two of our summer gatherings. On July 16th, nine of us walked the gardens at the Mount and admired the sculptures. We followed it with a delicious luncheon on the terrace. It was a hot sunny day, and we all had a lovely time.

Barbara Schwartz Glicksman's Gardens

Our visit to Barbara's gardens was postponed a day due to forecast of thunderstorms. But the weather was perfect on August 1st. Everyone had a wonderful visit.

It was hard to do justice to the gardens in the photos. There were lots of different plants — shade gardens and sun, vegetable, fruits, and succulents. The garden is a tribute to the many years of hard work and loving care by Barbara and her husband. Thank you, Barbara, for so generously opening your gardens to us.

Mount photos continued

We are at capacity for **Susan's Gala and Flower Arranging afternoon on August 15th** which we are looking forward to immensely. Thank you to our members for supporting this event so strongly.

I would like to encourage you to support our Lenox Flower Show on August 17th on the veranda of the Curtis Hotel by entering or attending it.

The theme for the Lenox Flower Show is "The Way We Were" and the four Design Classes are: The Gilded Age, The Roaring 20s, Victory Gardens of the 40s and Flower Power in the 60s.

The Application form and Brochure can be found on the Meetings page of our website www.acqlenox.org This Flower Show is co-sponsored by the Lenox Historical Society and the Academy Garden Club of Lenox. **Entry deadline is August 10th!**

I hope that you enjoy the remainder of your summer, and that I will see many of you at Susan's on 15th August, at our Flower Show on the 17^h August and/or at our September meeting.

Best wishes,

Jill
