I hope that your Thanksgiving was peaceful.

December 6, 2025 our website maintenance fee is due for the next two years. The previous 2 years had been donated by a member, however the cost of this item will now be added into our next budget cycle.

Between overage of funds from last year and raffles, we have the funds to cover the two year bill of \$395.25.

Because we don't have the website in our budget currently, we need a majority of members

to approve this expenditure.

Please respond ASAP with your vote to expend the \$395.25 to keep our website up and running.

Thank you for your attention to this important matter!

I hope that your Thanksgiving was peaceful.

December 6,2025 our website maintenance fee is due for the next two years. The previous 2 years had been donated

by a member, however the cost of this item will now be added into our next budget cycle.

Between overage of funds from last year and raffles, we have the funds to cover the two year bill of \$395.25.

Because we don't have the website in our budget currently, we need a majority of members to approve this expenditure.

Please respond ASAP with your vote to expend the \$395.25 to keep our website up and running.

Thank you for your attention to this important matter!

Peace,

I hope that your Thanksgiving was peaceful.

December 6,2025 our website maintenance fee is due for the next two years. The previous 2 years had been donated by a member, however the cost of this item will now be added into our next budget cycle.

Between overage of funds from last year and raffles, we have the funds to cover the two year bill of \$395.25.

Because we don't have the website in our budget currently, we need a majority of members to approve this expenditure.

Please respond ASAP with your vote to expend the \$395.25 to keep our website up and running.

Thank you for your attention to this important matter!

Peace,
Linda

Between overage of funds from last year and raffles, we have the funds to cover the two year bill of \$395.25.

Because we don't have the website in our budget currently, we need a majority of members to approve this expenditure.

Please respond ASAP with your vote to expend the \$395.25 to keep our website up and running.

Thank you for your attention to this important matter!
