

# Academy Garden Club Thymes

A NEWSLETTER FOR THE MEMBERS OF THE ACADEMY GARDEN CLUB OF LENOX

April 2025

Page One

## Minutes - March 2025

Jill Dore, president, called the meeting to order at 6:04 p.m. There were thirty members in attendance. She asked that the February Minutes and the Treasurer's February Report be proposed, seconded, and approved as published in the March newsletter. The motion was proposed by Susan Wolf, seconded by Theresa Michney, and approved unanimously.

Jill reported on several spring activities in the area. Ten members had a great outing to see the Spring Bulb Show at Smith College. She also mentioned that the Berkshire Botanical Garden Show is currently ongoing and is free. On March 28th, a group of members plan to go to the Capital Flower Exposition. There is a sign-up sheet tonight at the front table for any who may wish to go. She shared that Sarah Hatch has one free ticket available should anyone wishes it.

Jill reported that one of our members, Peggy Ammendola, had knee surgery recently and is doing well. A get-well card is being circulated at tonight's meeting to be sent to Peggy from the membership.

The website for the club has been updated to show past presidents thanks to the diligent work of Dianne Romeo who searched our records to identify all past presidents. Dianne has also written a short history of the club which will be added to the website as well.

As there was no further business, the meeting was adjourned at 6:09 pm for the program - Four Generations of Stokes in the Berkshires presented by Sarah Hatch.

**Respectfully submitted,**

**Sarah Hatch, Secretary**
